SALE NOTES

Howkins & Harrison are pleased to accept the invitation of Simon & Leon Smith together with their family to host the 37th Rugby & District Machinery & Equipment Sale. Simon and Leon are successful Agricultural Contractors and trade under the name of Lyndon Farms. They have included approximately 50 lots of quality machinery within the sale and can be identified as **Vendor Number 1** within this catalogue. Any pre sale enquires regarding these lots should be directed to Leon on 07802 664328 or Simon on 07860 533074.

The sale site will include a large sale building and adjoining sale field. An unloading vehicle will be provided to assist vendors and purchasers within the times clearly specified within this catalogue.

DIRECTIONS TO THE SALE

The village of Arnesby is situated approximately 8 miles south of Leicester and 12 miles north west of Market Harborough. When travelling from Lutterworth or Junction 20 of the M1 Motorway take the A4304 towards Market Harborough. Continue for approximately 3 miles until reaching the village of North Kilworth. Take the first turning on the left onto Pincet Lane. At the T Junction turn left onto the A5199 (old A50) towards Leicester and continue on this road for 5 miles. The farm can then be found on the right hand side opposite the turning into Arnsby.

The postcode of the property is **LE8 5WJ**. A location plan is printed at the back of the catalogue and "To The Sale" signs will be erected in the vicinity on the sale day.

PAYMENT TERMS

Intending purchasers not known to the Auctioneers must produce, prior to bidding, an acceptable banker's reference. Under new regulations introduced by the banks, such references are now only obtainable by the bank's customers themselves and have to be obtained direct from their bank. **Unless an acceptable banker's reference is produced, payment is strictly by cash.**

Payment is due at the fall of the hammer and must be made by 4.00pm on the sale day. Interest will be charged on overdue accounts at 4% over Lloyds Bank Base Rate. The Auctioneers reserve the right to withhold purchases until cheques are cleared. VAT will be charged where applicable, at the current standard rate.

VAT

VAT will be added to the purchase price of all lots. The only exceptions to this will be the case of "zero rated" or "exempt lots". The Auctioneers will state at the time of the sale if any lots fall within these exceptions.

MISREPRESENTATION ACT 1967

The attention of purchasers is drawn to the terms of the above Act:

The Auctioneers act as agents only. All statements in the catalogue as to any such matters are statements of opinion and are not to be taken as or implying statements nor representations of fact.

Purchasers are deemed to have satisfied themselves by inspection or otherwise as to all such matters and as to the physical description of any lot.
